

Today's Bible reading

Ezekiel 37.1-14

God showed Ezekiel how he could transform dry bones into living, breathing bodies. God promised he would bring the people back to hope from despair.

What makes you feel really alive?

PRAYER

Dear God, sometimes everything seems to go wrong, and I feel sad and lonely.

Help me to remember that you have promised that you will act and fill me with hope again.

Amen.

Activity 1

Ezekiel gave a message of hope. What are the good things in your life? Add one thing to each bone shape below.
